** [REDACTED] Comment. A motor transport regiment of the COFG is stationed in the Cambrai Kaserne in Kuensdorf. Including the truck reported by another source, approximately 240 new trucks arrived there between 1 and 3 May. It cannot be determined from the information whether a motor exchange office of the COFG has been established or whether the 240 vehicles were taken over by this one motor transport regiment either in or without exchange of old motor vehicles.

*** [REDACTED] Comment. Other sources reported that, beginning 8 May, troop trains went from Jueterbog to Ruogen Island which probably carried elements of the 4th AT Arty Brig of the IV Arty Corps. [REDACTED]
